

## **The Sixth ICA International Poster Competition**

### **Dedicated to Colored Gemstones**

The International Colored Gemstone Association has launched the sixth ICA International Poster Competition in connection with the ICA Congress that will take place in Rio de Janeiro, Brazil from April 30 to May 4, 2011.

By organizing these competitions ICA encourages its members as well as members of the colored gemstone community at large, art students, and graphic designer to find new, creative ideas to promote the appreciation of colored gemstones.

Posters from previous competitions can be seen on the ICA website: [www.gemstone.org](http://www.gemstone.org)

Instructions for submitting entries:

Poster Size: 35 x 50 cm (12 x 20 in). All entries should carry the ICA logo and name in full. (The logo and ICA official name can be downloaded from ICA website.) A written slogan, in English, can be added, however; ICA strongly encourages designers to also include the slogan in their native language.

Participants must submit a color printout of the poster only in A4 size, along with the digital file on disk or flash drive in one of the following formats: pdf, jpeg, eps, and tif. The file should be at least 36 MB and the resolution no less than 300 dpi.

The deadline for submitting posters is 1 February 2011.

The color print and the digital file on disk or flash drive should be submitted only to the Coordinator of the Organizing Committee (contact details below).

By submitting a poster to the competition a designer declares that he/she is the rightful owner of the images used in the poster and/or is permitted to use them, and acknowledges that the poster will be used by ICA in any form and manner the organization chooses.
